

iQ Series 3

QTech iQ Series 3

The new iQ Series 3 is the first QTech intelligent airless paint sprayer. These are real game changers – ensuring ultimate control and precision across multiple applications from contractor right through to fine finish work.

It's all in the controllability.

A unique first in the market, the Intelligent Pressure Technology (IPT) allows for the smallest incremental changes in pressure. An operating pressure as low as 500 psi can be maintained and held. Put's real control where you need it – in your hand.

Higher level of efficiency.

Ensure the job is done quicker, with less overspray and maintenance.

Broad performance band.

Use the one airless paint sprayer to ensure an enhanced quality of finish that fits all aspects of your work. External walls? Box ticked. Internal walls and ceilings? Box ticked. Staircases? Box ticked. Kitchen re-sprays? Box ticked. Fine finish cabinet? Box ticked.
